

2025 AWARDS GALA SPONSORSHIP PACKAGES

About Top 7 Over 70™

The Top 7 Over 70™ Awards Gala is one of the most inspiring evenings of the year and a dream-turned-reality for founder **Jim Gray**, a renowned Calgarian, oil patch pioneer and philanthropist. Over the years, Jim noticed award programs sprouting up for people in a myriad of demographic groups, except for those who were older in years. At the same time, he seemed to be meeting an increasing number of people who were starting new ventures and initiatives, after they reached traditional retirement age. "I was struck by the dynamic contributions I see Calgary seniors making in every facet of life, adding to the richness of our community," says Jim. "That's why I thought it was time to celebrate the unique achievements of seniors by launching the **Top 7 Over 70 Awards Gala**".

Since starting the program in 2017, we have recognized 29 individuals who are making a difference in the worlds of business, science, arts, culture, health, fitness, education, philanthropy and volunteerism. While other award programs focus on lifetime achievements, the **Top 7 Over 70 awards shine a light on successes in ventures started after the age of 70** – and that's an outstanding harbinger of how society is changing.

Unleashing and celebrating the power of seniors is more important than ever before. By 2030, studies show that up to 23 per cent of all Canadians will be 65 or older. We need these individuals' expertise and experience to help enrich our communities and drive the economy. **The recipients of the award inspire us, embolden us and remind us that age is truly just a number.**

The Top 7 Over 70 Gala is a biennial event and will honour seven more exceptional leaders in our community on **Tuesday, October 21, 2025** at the Hyatt Regency Calgary.

Top 7 Over 70 Impact

The Top 7 Over 70 Gala supports the InterGen initiative – a unique not for profit that supports innovation-driven entrepreneurs in need of resources to develop their businesses beyond start-up.
